2 names. See you may not know
have 2 people involved in Mr.
King murder. (Lu Klux Klan?)

Suspects might be around
Meridian Mississippi now.
How do I know, could read the
newspapers in the future, etc.

Please do not question me,
Am telling you all I know. Mr.
Ford, FBI, Denver, Colorado
for verification of reading the
newspapers in the future, can
also follow people throughout
their lifetime. Good luck!
XXXXXXXXXX may not be someone.
