Dear Sirs,

I want you to use your propaganda sheet in the A/Press, Again. Say a witness has called him a "Bounty Hunter,"  
ERRONEOUS if you believe I'm trying to help, and you believe what I am trying to do for Law & Justice  
Then be ready to keep in focus, with all of his Associates by sight and sound. --- Mainly, to see if they are associated with an even larger conspiracy.  
Make this a fact finding mission only.

Percy Foreman, anyway you look at him, is no little man, or, just a lucky Tin Soldier.

If I am arrested, Percy Foreman might figure some way to accuse me, and convince the jury that I am a conspirator of some sort, then have me judged, and sentenced to die, then you would have two perfect crimes on your hands mine and Dr. Martin Luther King Jr's. 883B

∴ IF I AM subpoenaed as a witness, I  
CAN beat him by calling him a Bounty Hunter.

I would be subpoenaed only, to tell the  
court that I did send to you two  
of my pictures, which I hoped, would  
help The F.B.I. to collect Evidence.

The MAIN reason, was, a sanctuary  
within the law, to protect me and  
my family from a lawful mistake,  
which could be fatal to me, and  
saddening and an insult to me, my  
family, and friends.

If your facts are straight, you will  
get all of the right people in the  
conspiracy, Let Percy Foreman  
make a mistake, and Dr. Martin  
Luther Kings, Mrs. Trail, will go on  
forever. The only thing that I  
am afraid of is a SIMPLE Damn  
Mistake. God, only knows how much  
you have to back me up in front of  
a man like Percy Foreman.

Allow Percy Foreman, to reply to the  
Associated Press.

Figure out where all of your fact finding traps are, and have them covered by the time James Earl Ray goes on trial for the murder of Dr. Martin Luther King, Jr.

You can put out this propaganda, when you figure you are set up to handle your fact finding mission.

Focus on, for curiosity, that Astro Dome owner and lawyer, and R.E. Smith Oil Operator. My Daddy was R.E. Smith 1st District Superintendent in Kilgore, Texas, that did R.E. Smith's oil field work, right the first time, and I am sure that is why R.E. Smith of Houston, Texas is wealthy today.

My daddy will be dead 25 years next April. My daddy name, was Robin Herrick Smith.

I may well be writing to you again.

Thank you, & Sincerely yours

Donald R. Smith
