Re 44-1987-Sub-E-985A (Louisville teletype to Bureau, Knoxville, Memphis and Los Angeles 5/20/68).

On 5/23/68 Mr. BERNARD FORESTER, 110 Blue Hills Court, Nashville, Tennessee, was contacted by this Agent at the Tennessee Hotel, Memphis, Tennessee, and he furnished the following information:

He stated that he has been employed by the Greyhound Bus Lines, Inc., for approximately 22 years as a bus driver. He stated that he has regularly driven the Nashville to Memphis to Nashville run for Greyhound for the better part of his 22 years with the company.

At this point a photograph of FRANK WILLIAM BRICKLEY was shown to Mr. FORESTER. He stated that the individual in the photograph looked very familiar to him and that he was fairly certain that he had seen this man, but he could not state when or where he might have seen him. He advised that he comes in contact with many individuals due to the nature of his employment and that it is very possible that this individual could have been a passenger on his bus at one time. He stated he could not be certain of this and in fact could not be certain if in fact he had ever seen this man, although the photograph looked very familiar to him.

Mr. FORESTER stated that the name FRANK WILLIAM BRICKLEY was not familiar to him and he did not know anyone by this name.
