

RE: INFORMATION FROM
MRS. GLADYS MEEHAM

On April 25, 1968, Mrs. GLADYS D. MEEHAM, 362 East Main Street, Springville, New York, wife of Dr. DONALD MEEHAM, came to the Buffalo Office of the FBI. She was at the Rock Sound Club and Beach Cottages, Eleuthera, Bahamas, from April 10, 1968, and had just returned. On the morning of April 25, 1968, she had seen a photograph of JAMES EARL RAY on the Today Show on television.

Mrs. MEEHAM said she had seen a man in the Rock Sound Club on the evening of April 18 or 19, 1968. This man bore a remarkable resemblance to RAY. She observed him again at breakfast the following morning.

This man was dressed in a business suit and appeared pale as though he had just arrived in the Bahamas. He was accompanied by another man whom she could not describe, except that he was similar in appearance to the first with regard to age, height, weight and build.

This information was furnished to Miami.
