Robert Jensen,
I was wondering if
perhaps you need a
description of, LEONARD.
(James Earl Ray's associate)

I don't believe I went to
strongly on his description to
you during our few
telephone calls.

I remember him well in
a E.S.P. session.

Are you interested or
the F.B.I. interested in this
matter?

In regard to the enclosed
copies of my long distance
telephone calls, can you
telephone me, Robert, on April
morning of the 7th. I wish
to discuss a very important
matter with you. Can you telephone
between the hours of 9:30 A.M. to
11 A.M., on this date. Can do.

Best Regards Paul Danyshyn

We need
to acknowledge
this man is pleasant
on phone but really has
nothing but ESP and
a rather vivid imagination
