Memorandum

TO : FILE (44-1987)

FROM : SAC

SUBJECT: MURKIN
CR.

DATE: 4/11/68

In connection with conference calls this evening between SAC HITT; Inspector SULLIVAN, Supervisor BILL KNOWLAND, Los Angeles, SAC HITT advised in trunk of Mustang a small piece of the top of a Kleenex box was located the name GINGER and ANITA KATZWINKLE, 1535 Sorrento, thereon. SAC HITT stated above name GINGER appears the word DAY. There was also written Apartment 6 at Pool and word spelled OKLAHOMBE.

Supervisor KNOWLAND advised that Los Angeles at this time was checking the 1525 Sorrento address and they had determined that GALT had lived at this address and had left owing rent. He did not know when GALT lived at this address nor how long, but this would be resolved. This establishes the identity of GALT in Los Angeles.

Los Angeles is, of course, making every effort to locate the two girls and the landlord at the Sorrento Street address.

In connection with VERNON, Supervisor KNOWLAND advised that the story at the present time indicated that the laundry in question was sold on or about January 15, 1968, and final settlement was to have been made on March 25, 1968. VERNON reportedly did not meet 4:00 appointment on that date and cleaned out money till. VERNON reportedly stayed in an apartment above laundry with buddy by the name of JIM KUNKLE; no descriptive data yet regarding KUNKLE.

A check with the probation office that VERNON reports to indicates that he reported there on April 5, 1968, time of day not known to girls in office. Probation Officer not available. VERNON did advise the girls and probation officer he was employed at Lockheed and working. Check at Lockheed disclosed no record concerning VERNON.

Reportedly VERNON had told the fellow from whom he was to purchase the laundry that he had to go to a mental hospital which was his reason for not, presumably, completing transaction. Supervisor KNOWLAND will check at the mental hospital for any information re possibly stay of VERNON. Photographs taken in 1967 of VERNON are being forwarded Birmingham, Atlanta and Memphis for possible use in instant case.

Supervisor KNOWLAND will advise when girls located and interview and identity of GALT may be established. Possibility exists, of course, that GALT is not identical with VERNON.
