SAC BILL ALEXANDER of the Mobile Office telephonically communicated with me at approximately 2:12 PM, 4/11/68, at which time he informed as follows:

The Alabama Communications Dept. of Public Safety had just called the Montgomery Resident Agency. The Alabama Communications Department of Public Safety had a telegram from S. L. DAVIS, Auto Theft Squad, Atlanta Police Department, requesting: "Please check stolen and registration on following Mustang: 1967 Ala. 1A 883154, VIN #6-6T07C 190647, 1968 Ala. 1-38993. Please rush information."

Alabama checked with NCIC and NCIC made a hit. Alabama was instructed to contact the nearest FBI Office collect.

SAC ALEXANDER has requested the SAC in Atlanta to contact DAVIS for the purpose of ascertaining the reason for his inquiry.
