Date 4/11/68

At approximately 10:30 a.m. DONALD F. WOOD was contacted at Aeromarine Supply Company, 5701 Airport Highway, Birmingham, and advised that he is the son of ROBERT E. WOOD, SR., who is the owner of the Aeromarine Supply Company. WOOD was discreetly questioned concerning the sale of a Remington caliber 30.06 rifle, serial number 461476, which Aeromarine had purchased from Wimberley-Thomas in August, 1966. DONALD F. WOOD immediately stated that he had heard the accounts of the assassination of MARTIN LUTHER KING the previous day on the radio and had immediately recalled selling a rifle, as was described in the newspaper as the murder weapon, to an individual about a week before the murder. WOOD immediately searched for and found a sales invoice in his records and indicated that on Saturday, March 30, 1968, he had sold this gun to an individual using the name HARVEY LOWMEYER.

After obtaining both copies of this sales invoice, Mr. WOOD was requested to accompany the interviewing Agent to the Birmingham Office of the FBI, which he agreed to do. Mr. WOOD was transported to the Birmingham Office of the FBI, where he furnished the following signed statement:

"On Friday, March 29, 1968, sometime in the early afternoon I had just returned from lunch when I observed Mr. U. L. BAKER, also a salesman, completing the sale of a rifle to an individual unknown to me. Mr. BAKER had just sold this man a Remington, Model 700, Caliber .243 Winchester with a 2x-7x Redfield Scope mounted thereon. Mr. BAKER had made this sale and had also mounted and bore sighted the scope on our machine. This individual also bought a box of 20 rounds of .243 Norma ammunition. He paid cash for this sale. When I first observed this man he was dressed in a dark business suit with a white shirt and tie, as well as I remember. He was approximately 5'8" tall, 150 to 160 pounds, and had dark hair. He had a medium complexion and appeared to be a meek individual. This individual had given his name as HARVEY LOWMEYER and stated that he resided at 1907 South 11th Street, Birmingham, Alabama. He also advised that he was 36 years of age.

"This information was not given to me personally by this individual, but I determined it from the bill of sale that was prepared by Mr. BAKER.

"Following the sale this individual left the store carrying the gun in a cardboard box utilized by the Browning Manufacturing Company. This box was used because with the scope mounted the rifle would not fit in the normal Remington box. He also took the empty Remington manufacturer's carton with him when he left.

"It was, as best I recall, either later that afternoon or early the following Saturday morning when this individual called on the telephone and stated that he had had a conversation with his brother and decided that the gun he had purchased was not the gun he wanted and he requested whether he could exchange it for a Remington, Model 760, 30.06 caliber. I advised him that we could make this exchange but that it would cost him an additional \$5.00.

"At approximately 9:00 AM on Saturday, March 30, this same individual returned to the store with the gun he had previously purchased. When he returned the gun he had the gun still in the Browning box. I told him that I would change the scope from the caliber .243 rifle to the Model 760, but that it would take me until approximately 3:00 o'clock in the afternoon and I instructed him to return at 3:00 o'clock and to bring the original Remington box for the caliber .243 weapon with him when he came as I would need to store the gun in. I gave him the Model 760 gun and I believe that I left it in the Browning carton. I did not receive the \$5.00 because in exchanging the scope I had to use a Weaver base and rings instead of the Redfield base and rings and this made up the cost difference. I also exchanged the box of .243 caliber ammunition for a box of 30.06 ammunition which I believe was Peters Core Lokt, 150 grain, 20 rounds per box. He left the store carrying the gun in the cardboard box.

"During the course of our dealings on Saturday I asked this individual why he didn't want the caliber .243 gun and I told him that it was a big enough gun to bring down any deer in Alabama. He stated in an offhand manner that he wanted the .30.06 caliber gun because he was going to use it to hunt in Wisconsin.

"At the present time this is all that I can remember concerning the transaction with this individual.
