Re: RAMON GEORGE SNEYD

ReBurdad to all offices dated 6/6/68.

Emergency stops for 90 days were placed on 6/7/68 with U.S. INS, US. Border Patrol, and U.S. Customs Service for all ports of entry in the El Paso Division regarding RAMON GEORGE SNEYD.

No stop cards are being made by El Paso since these stops will be automatically canceled in 90 days and the office of origin, within that time, will place stops nationally, if necessary.
