According to Mr. DURYEA, this document is an affidavit filed by the student when he returns his first lesson to the Locksmithing Institute. He has no way of determining when this document might have been received, however, he would assume that it was submitted with the first lesson or else there would be a notation made on the back that his institute had submitted a follow up letter to the student.

In addition to the above documents, he made available two addresses which are as follows:

Mr. ERIC S. GALT
1535 North Serrano
Los Angeles, California 90027

Mr. ERIC S. GALT
2608 Highland Avenue
Birmingham, Alabama 35205

Dr. DURYEA further informed that the order of addresses would have been as follows: the Montreal, Canada, address, the first address that his institute received. The Los Angeles, California, address, the second received. The Birmingham, Alabama, address, the third address and the address on the student ledger card in Atlanta, Georgia, the most recent address which was March 30, 1968.

A search was made of the subscriptions for the Locksmith Ledger which is housed in the same building as the Locksmithing Institute and no subscription could be located under the name ERIC S. GALT.

Mr. DURYEA advised that everything, including lessons, payments, letters or any correspondence of any nature, received by the Locksmithing Institute or Locksmith Ledger would be immediately maintained by him and given to the Federal Bureau of Investigation as soon as possible after it is received.

In the event the above information is to be made public, a subpoena duces tecum should be directed to Mr. GEORGE DURYEA, Director, Locksmithing Institute, 1500 Cardinal Drive, Little Falls, New Jersey, 07424.
