James -

Just a short note to let you know how things are going. I wrote you another letter but put the wrong town down. (Dumb huh?) So that's why I'm writing you now. Things are pretty well about the same here as before. When will you be going to court?

I hear you have a pretty good lawyer. Don't forget that there are a lot of people behind you and that you are still in the "south". I was down in a small town in Santa Barbara then I jump here to Stockton. Might go to Australia if things keep going bad. I know that you must

feel pretty "down an out now"  
but believe in that all  
things are going to be  
alright. Are you aloud  
visitors there? If so I may  
come to "Memphis" for about  
a week and see you (OK)?

Do you want me to do  
anything for you or get you  
anything. Just let me know.  
I'm going to Tulsa Monday  
for a few days, just to  
take in the sites. My mom  
went back to Okla. to  
visit her folks. I guess  
they are not going to live  
much longer.

You did the right  
thing, it just fail. Maybe  
RW will be easier. Well  
I'm going to have to  
go. Let me know how

things are going and  
let me know if how  
things are working  
and if you need any  
thing write soon.
