TO : SAC, WFO

DATE: 4/5/68

FROM : SE MELVIN L. MONTGOMERY

SUBJECT: UNSUB
REV. MARTIN LUTHER KING, Victim

At 10:32 AM this date, ^{Dr.} DAVID ROSENBAUM, Office of Emergency Planning, Office of the President, telephone 395 3465, stated that two days ago and also on a prior date not recalled, RUSSELL YOUNG, Special Assistant for Government Relations, American Telephone & Telegraph Co., 1730 K St NW, telephone 392 5196, had remarked in a manner that indicated that he was not merely expressing an opinion that Victim was going to be killed in Memphis. ROSENBAUM said that he knew that YOUNG knew people from the area "down there". ROSENBAUM said that he had passed it off at the time and thought no more about it, but felt that since the statement had been proven true he felt that he should advise the Bureau. He could not suggest what the source of YOUNG's information might be, but reiterated that the statement did not appear to be put forth as an opinion. He said that he had not seen YOUNG since last night but that he intended to call YOUNG and advise him that he had furnished the above to this Bureau.
