On 4/12/68, Mrs. W. WAYNE (ALICE) WILSON, 6807 Nesbitt Place, McLean, Virginia, telephone 356-6134, furnished the following information:

That she cut out and retained a copy of the composite photo of the slayer of Dr. MARTIN LUTHER KING, JR., and while watching the television coverage of the funeral felt certain that she observed a person closely resembling or identical with the person on the composite. She advised that she believes she was watching channel 4 and that the person was observed prior to the church service, and probably approximately 10 minutes previous to the appearance of Mrs. KING at the church. She stated that the person was standing alongside a full-faced colored male near a brick wall.. The possible suspect was standing to the side and in front of the colored male.
