Mrs. ELVA MCKENNEITH, 430 K Street, N. W., advised that she recalled seeing EMIL MATALIK at this rooming house every day during the past week, except for Saturday, April 6, 1968, at which time she saw him at the corner of 5th and K Streets, N. W., when he was talking to some military personnel. MATALIK returned at about 7:00 to 7:30 p.m. and watched television for approximately one half hour, at which time MCKENNEITH put him out because she (MCKENNEITH) was interested in the news concerning Reverend MARTIN LUTHER KING, and MATALIK wished to talk.

MCKENNEITH stated that he had also seen MATALIK at the residence every day during the past week, except Saturday, April 6, 1968.
