Time	Initial	IC OG	Activity Recorded
37 6M	Jed		Telephone ringing
02 6M	Jed		Sound of two voices conversing in foreign language
12 PM	Jed		Telephone dial sound, also sounds in background of a radio set transmitter. Possibly a "Ham"
10 PM	Jed		Sound of two female voices conversing in foreign language, also a male voice speaking in foreign language.
13 PM	Jed		Telephone dial sound, male voice possibly speaking in English but unable to determine. Receiving interference in background.
27 AM	Jed		Telephone dial sound, male voice speaking in English, apparently on telephone, comments heard: "Translate anything free of charge for Martin" and "apparently not" also "talk to you tomorrow, bye." Interference being received in background. Conversation in foreign language and some English comments as follows: "talked to Marina first night", "about what time he offered to translate free." "Do you want some more." "Oh, yes. have to call her soon." (interference in background) "Male voice stated 'let them fill suit.'" Conversation continued, however, in foreign language.
45 PM	Jed		Sounds of female and male voices continue in conversation but due to interference unable to read clearly English speaking words: "I told Marina, why didn't she call?"

Time	Initial	IC OG	Activity Recorded
			62 70 [redacted] (Miss)
3:50 a	msp		On duty
1:04 a	msp my		Mr. Kenzie arrived with unknown male. Told Marina that Margaret Oswald was going. He contacted her. Said she may be accompanied by reporters and gave instructions for her to talk with Margaret alone. Told her not to let reporters in house. — Bogoslav is going back to New York so good luck to H. I wish to have a good time — did you find a doctor? — If you need me today, call my office as they will know where to reach me. I will see tomorrow.
22 am	my 6		end of conversation — [Note — recorder turned on & off frequently during above in effort to record only the conversation which was clear]
3 P	msp		Female entered & talked with Marina in foreign language. Portions recorded.
1 P	msp		Conversation continues in foreign language
