JAMES R. MALLEY, Inspector

DAVID LOUIS GOLDREYER, aka  
ITSP

SA ROBERT C. LISH advised that he was at the County Jail and had learned that subject DAVID LOUIS GOLDREYER had been removed from Memphis, Tennessee and had arrived at the Dallas County Jail at approximately 5:30 AM, Dec. 7th. The Deputy Marshals from Memphis who brought GOLDREYER to Dallas advised JOHN E. LOWELL, Deputy Marshal to the effect that GOLDREYER had received a telegram from OSWALD and had such a telegram in his possession when arrested in Memphis. SA LISH stated he had been unable to obtain any information indicating that anyone had seen such a telegram.

The report of SA PAUL N. CONRAD, Memphis, dated 12/4/63 reflects that GOLDREYER when interviewed by Agents of the Memphis Office, stated that while he was en route by plane from Dallas, Texas to Memphis, Tenn., he met a news reporter who asked him if he, GORDREYER, would send the following telegram, since he would be getting off the plane at Memphis:

"To Mr. BURT RHEINHARDT, United Press, Statler-Hilton Hotel, Dallas, Texas. Suggest obtaining telescopic rifle sights housing on a cross hair zooming a spot where tragedy took place. Perhaps you can use convertible and simulate incident. Fifth will help doorman. Local sports shop Cullum and Boron may rent you outfit. Director of Public Safety or Mayor should clear for entry, signed Fred and Jack. Sender United Press, Washington."

GOLDREYER advised that he did send this telegram from Memphis for the news reporter.

In view of the allegation that GOLDREYER allegedly had something in his possession that was from OSWALD, the Memphis Office was called.

SAC KARL W. DISSLY, Memphis, subsequently advised that there was no foundation to this comment of any kind; that the true facts are as set forth in the report of SA PAUL N. CONRAD. He stated, however, that he had talked to the Deputy Marshals who had brought subject GOLDREYER to Dallas, and that one of the Marshals admitted having made the statement that he thought perhaps the reason GOLDREYER had been returned to Dallas so quickly was because he was connected in some way with OSWALD. He denied, however, ~~making the Deputy Marshal at Memphis deny~~ having made a statement that GOLDREYER had a telegram from OSWALD.

DISSLY stated that the individuals in Memphis seemed to be somewhat upset over the fact that they were questioned and he wouldn't be at all surprised if the statement as quoted in the Dallas area was actually made.

SAC SHANKLIN telephonically contacted JOHN E. LOWELL and advised him concerning the above statements and the fact that it was understood GOLDREYER was being held in maximum custody of the Dallas County Sheriff, and that this was being passed on to him for his information inasmuch as there was no foundation to this story that GOLDREYER had received a telegram from OSWALD.

I furnished the same information to ROBERT I. NASH, U. S. Marshal, and the Marshal assured me GOLDREYER would be treated now as any other prisoner.
