Memorandum

TO : SAC, DALLAS (100-10461)

DATE: 12/10/63

FROM : J. R. MALLEY, SUPV.

SUBJECT: LEE HARVEY OSWALD, aka
IS-R-CUBA

With regard to the Bureau's inquiry concerning the grade OSWALD was actually in at the time he left school while attending Arlington Heights High School, Ft. Worth, Texas, the following information was telephonically furnished to Section Chief BRANNIGAN at the Bureau today.

BRANNIGAN was told that JOHN SHARP, Principal, Arlington Heights High School, Ft. Worth, Texas, stated on Dec. 10th that OSWALD had entered the 10th grade on 9/5/56 and left the school on 9/26/56. No information was available in the school file re any achievement tests. Mr. SHARP advised that no diploma would be issued by the Arlington Heights High School unless the student had earned his diploma at the school.

BRANNIGAN was told that Dallas had previously been advised by the Bureau that the Chicago Office supposedly had sent a teletype to the Bureau and Dallas, in which information had been received from the U. S. Marine Corps relative to a certificate of some kind that had been issued indicating OSWALD had taken an achievement test and had earned a grade which had entitled him to a high school diploma.

BRANNIGAN was advised that if such a teletype had been sent to the Dallas Office, we had not been able to locate it, and it was suggested that if the Bureau did not have this information, it should call the Chicago Office direct.
