Memorandum

TO : SAC (100-10,461)

FROM : ASAC KYLE G. CLARK

SUBJECT: LEE HARVEY OSWALD, aka
IS - R - CUBA

DATE: December 13, 1963

Reference is made to memorandum dated 11/22/63 from IC JOE A. PEARCE, File No. 89-43-122.

In referenced memorandum, unknown male individual telephonically furnished information to the office concerning his observing a person wearing white shoes and throwing a tennis ball at the time of the President's assassination. This activity was reportedly in the park area across from Texas School Book Depository.

At approximately 10:00 p.m., 12/12/63, Mr. JOHN F. DOLAN, 6311 Martel Street, Dallas, telephone number TA 6-3419, telephonically advised ASAC CLARK that he had furnished information to the FBI; however, he had not been interviewed. He related that he was en route to the downtown area at the time of the motorcade headed east on Commerce. Due to the traffic congestion, he was stopped in the vicinity of the underpass. He emerged from his car and stood by the underpass to observe the motorcade. He stated he observed the assassination of the President and that just prior to the assassination, he had observed an individual wearing black and white shoes throwing a tennis ball up and down. He stated this individual was wearing a dark colored jacket and "normal pants." He further described the individual as being a white male with black curly hair, 5'8"-10". He said this activity was in the middle of the park area near the assassination.

It is Mr. DOLAN's belief that this activity was used as a signal to the assassin.
