On 1/3/64, Mrs. A. C. JOHNSON, 1026 North Beckley, Dallas, Texas, WH 3-8993, LEE HARVEY OSWALD's former landlady, telephonically advised that one day last week she received a telephone call from an unidentified man wanting to know if DAVID MILLER lived at that address. She told this person MILLER did not live there. The caller said MILLER drove an old white station wagon and he understood that MILLER had lived there. Mrs. JOHNSON said she thought this was a bill collector trying to locate DAVID MILLER and paid no attention to the call.

She said about 10:30 PM, 1/2/64, she started receiving calls from a person who identified himself as DAVID MILLER and claimed he was a friend of OSWALD and that she had better not report him to the FBI. She stated she did not know DAVID MILLER and told this person that she did not know him and he replied "Oh, yes, you do know me and you'd better not report". She stated she received intermittent calls from this same person until 12:30 AM, 1/3/64, at which time she took the phone off the hook in order to get some rest.

She advised the person sounded intelligent and did not appear to her to be drinking. She advised that she and her husband got up early and went to their cafe and when they returned home at about 8 AM, 1/3/64, Mrs. EARLENE ROBERTS, who takes care of the rooming house for her told her she had received some five or six calls from a person identifying himself as DAVID MILLER.

Mrs. EARLENE ROBERTS, 1026 North Beckley, advised she received a call at 6:15 AM, from a man saying he was DAVID MILLER and this person talked in a loud whisper, asking her "how about meeting me in the alley, honey". She stated he did not ask her who she was but told her that he knew she was Mrs. JOHNSON's housekeeper. Mrs. ROBERTS stated she told this person

that she would not meet him in the alley and he replied "You'll be out there sometime today and I'll get all three of you". She stated that the same person called again about 6:35 AM, asking her "Aren't you going to meet me in the alley", and when she said no he replied "I will get you".

She stated there had been some four or five calls since the 6:35 AM call, all by the same person and all of the same general text.

She stated the Humble Service Station owner, located across the street from them, had also received calls from this same person.

On 1/3/64, JERRY DUNCAN, part owner, Humble Service Station, 1030 North Zangs, advised he received a call at about 10:20 PM, 1/2/64, from a person named MILLER. This person asked if the FBI had been talking to him and he replied that they had but not recently. This person told him, "I don't want you telling the FBI that I had anything to do with OSWALD". He told this person he did not know him and the caller replied, "Yes, you do, and you'd better not tell anyone you know me". According to DUNCAN, the caller said he was leaving town. He stated the man's voice sounded as though he was drunk and probably was an old man.

He advised that at about 9 AM, 1/3/64, this same person called him again and inquired as to who he had been talking with. DUNCAN stated he refused to answer, and the person said "Well, you had better not tell anyone anything about me". DUNCAN asked the caller to identify himself and the person refused. DUNCAN advised that on this call the caller appeared to be sober and his conversation was straightforward and fast.

The indices reflect DAVID LEON MILLER to be the husband of MILDRED MEHARG and there is a possibility that these calls were made by MARION MEHARG. Therefore, this information is being set forth in this file.

LEAD

It is suggested that consideration be given to interview of MARION MEHARG to determine if he will admit making above calls.
