Inspector DON MOORE, Div. V, telephonically contacted the Dallas Div., 4:20 PM, this date. He referred to Dallas report in captioned case, wherein it was reported that the PD had obtained 3 metal boxes containing personal correspondence of Mrs. PAINE's. In addition, he referred to Bureau teletype, instructing that the original correspondence be obtained for the WARREN Commission and forwarded to the Bureau. By Dallas airtel to the Bu, 1/15/64, this correspondence was forwarded.

Inspector MOORE advised that the correspondence is being furnished to the Commission; however, referenced airtel did not reiterate that all the correspondence furnished was personal correspondence of Mrs. PAINE's. In addition, he stated that this airtel did not reveal that Mrs. PAINE had been informed the letters were obtained for the WARREN Commission.

Inspector MOORE stated he is certain that the above items have been covered and that all correspondence submitted was personal correspondence of Mrs. PAINE's and that she was informed that the correspondence was being obtained for the Commission and would be furnished to them. He stated that UAC by Dallas prior to 8 AM, CST, 1/21/64, he would consider that these points were covered.

This matter was discussed with SAs GEMBERLING and DE BRUEYS and they advised that the items above were correct as stated by Insp. MOORE.
