Memorandum

TO : FILE (100-10461)

DATE: 2/5/64

FROM : SAC SHANKLIN

SUBJECT: LEE HARVEY OSWALD, aka
IS - R - CUBA

Section Chief BILL BRANNIGAN called at 5:00 PM today concerning the calendar which belongs to Mrs. PAINE, which the Bureau received yesterday or over the weekend, and which is the calendar which Mrs. PAINE used to fix dates.

The calendar portion that relates to March, 1963, in the upper left hand corner of the month of March appears this notation: OCT 23 and then like a little dash, then some space skipped and a hand drawn five pointed star, and then it says LHO purchase of rifle, and then it looks like another dash after that.

Looking down the calendar under the date of the 20th of the month appears another hand drawn star, and it says MARINA after that.

If we do not know the significance of this notation, we want Mrs. PAINE interviewed immediately to establish the significance of it. When did she make this notation on her calendar? What is the significance of the Oct. 23? If you will recall, Oct. 23, according to the calendar would be the day after she came back from the hospital following the birth of her last child. If Mrs. PAINE knew on Oct. 23 that LEE HARVEY OSWALD had purchased a rifle? Did MARINE tell her on Oct. 23 that LEE HARVEY had purchased a rifle in March? We sure want to know this if so and to know what else she told her.

Bureau requested teletype reply re results of interview with Mrs. PAINE.
