

UNITED STATES GOVERNMENT

Memorandum

TO : FILE (100-10461)

DATE: 2/3/64

FROM : SAC SHANKLIN

SUBJECT: LEE HARVEY OSWALD, aka
IS - R - CUBA

Late in the afternoon of 2/2/64, Inspector J. R. MALLEY called from the Bureau and stated that they had received the clothes brought up by SA DRAIN, and in examining the trousers, a small piece of paper about 1½" X 2" was found in the right hand side pocket containing four telephone numbers, namely as follows:

~~OR 9-9450~~

~~RI 8-9711~~

~~AC 2-4611~~

~~CH 7~~ (This marked through and followed by CO 7-3100)

Inspector MALLEY said we should attempt to determine the identity of the holders of these numbers and any significance thereof and advise the Bureau as soon as possible.

SA LISH was called and he checked with the Telephone Company and was advised that the CO, OR and AC are not Dallas exchanges. Also, that it is believed that the AC and CO are not Texas exchanges. OR is a Texas exchange. He believed that it might be Houston or a Karnack, Texas exchange.

I called Houston and talked to SA GRAHAM KITCHELL, who stated he thought OR 9 was a Houston exchange.

RI 8-9711 is a Dallas exchange and is the general number for the City of Dallas, which included the Police Department and various other offices.

I furnished the above information on 2/3/64 to SAC ROBERT RIGHTMYER, Houston; ASAC BROOKING, San Antonio, and ASAC J. T. SYLVESTER, JR., New Orleans, requesting them to make appropriate check. They stated they would make checks and send this office and the Bureau teletype with any pertinent information.

SA LISH is checking with the Telephone Company for location of these various exchanges. SA STEVENS is checking Karnack to see if this number is there.

5 - Dallas
