Re Bureau teletype to Dallas 2/14/64, requesting a letterhead memorandum be furnished concerning the manifest of the Transportes Frontera Bus Company.

Enclosed herewith are ten (10) copies of a letterhead memorandum together with three (3) copies of exhibit D - 106, two (2) of which have been designated as President's Commission copies and one (1) as the Bureau copy.

The information contained in the letterhead memorandum has been taken from Legat Mexico letter to Bureau 12/11/63, which enclosed a letterhead memorandum containing information developed by CIA and from page 22 of the report of SA JOHN H. KEMMY, dated 2/6/64, at San Antonio.

SA KEMMY advised by telephone on 2/14/64, that JUANA MARIA ALANIZ, referred to in the enclosed letterhead memorandum, had been located and interviewed and that it was established that she travelled on a different bus line, namely, Transportes Del Norte, and did not know OSWALD. This information was included in the letterhead memorandum as it was believed pertinent.
