Re BILLY LEE JONES, aka.

The following investigation was conducted by SAs ALBERT SAYERS and ALFRED D. NEELEY:

On 2-1-64, Mrs. VIOLET GARIBOUR, Information Desk, Records Bureau, Dallas PD, advised she could find no arrest record or other reference to BILLY LEE JONES, aka in her indices.

On 2-1-64, Brother BILLY W. BOYD and Brother CURTIS ANDERSON BALLARD, Dallas City Mission, 314 South Ervay, Dallas, advised they are in charge of the mission, ~~located at~~ in the absence of Brother JESS DUNCAN.

They advised that Brother IVAN KERR is known to them as the pastor of the Bethel Bible Church, Lewisville, Texas. KERR left the early part of this past week to attend a revival in Mississippi and is expected back in Lewisville, Texas, sometime on the afternoon or evening of 2-1-64. They advised that BILLY LEE JONES accompanied KERR and three or four others on the trip to Mississippi.

They said BILLY LEE JONES has been staying for the past month in Lewisville with Brother A. M. JOHNSON, who operates a garage in Lewisville. JONES has a cot in a room at the garage and works as a handyman around the garage. JONES allegedly has a wife by the name of MARY in Dallas but is separated from her.

KERR has telephone KE 9-4369 in Lewisville and A. M. JOHNSON has telephone KE 9-4935 in Lewisville.

Brothers BOYD and BALLARD exhibited a registration card for the Dallas City Mission which is dated 12-30-64. It bears the name BILLY LEE JONES, 511 Circle Road, Del Rio, Texas. It shows his Social Security Number as 462-26-3166. It bears reference to Mrs. A. J. McCULLIS, same address as JONES in Del Rio, Texas. It shows JONES was coming from Flainview, Texas and was going to Del Rio, Texas. It shows JONES's occupation as laborer and his religious preference as Baptist.

Brother IVAN KERR is scheduled to make the noon sermon at the Dallas City Mission on 2-3-64 and JONES will probably accompany him.

On the morning of 2-1-64, efforts were made at KE 9-4369 and KE 9-4935, Lewisville, Texas, to contact Brother KERR, with negative results; however, information was elicited to the effect that he is expected home Dallas 2:00 PM or 3:00 PM, 2-1-64.
