Memorandum

TO : SAC, DALLAS (100-10461) (P)

DATE: 2/19/64

FROM : SA ROBERT P. GEMBERLING

SUBJECT: LEE HARVEY OSWALD, aka.,
IS-R-CUBA

On the evening of February 17, 1964 MR. ORVILLE O. NIX telephonically contacted SA ROBERT P. GEMBERLING. NIX has previously furnished his movie camera for examination by the Laboratory, and he has previously been interviewed as a witness to the assassination.

NIX stated that he has been contacted by an individual whose name he does not at this time know who has requested that NIX consider telling him what he saw in connection with the assassination in order that the unknown individual may write a story about same. NIX stated that since he is an employee of the U. S. Government (GSA) he wondered if he should consent to be interviewed for such a story.

MR. NIX was advised that the FBI could not tell him that he should or should not consent to such interview but was cautioned that any information he gave to anybody should be truthful and that this office would be interested in knowing to whom he furnished such information.

NIX stated that in the event he did consent to be interviewed by anyone he would furnish this office a copy of the story prior to its being printed and would at the same time furnish the FBI the identity of the person interviewing him and writing the story.

ACTION:

It is suggested this be filed for reference purposes in the event NIX does furnish a story.
