SUBJECT: LEE HARVEY OSWALD, aka
IS - R - CUBA

On 2/22/64, an individual identifying himself as FRED TIME, an attorney who stated he was representing DAVID CONRAD GLASS, who was in custody of the Dallas County Sheriff's Office on charges of carrying a concealed weapon, telephonically contacted the Dallas Office. TIME said he resided at 3327 High Bluff Drive, Dallas, Texas, telephone Chapel 7-8764.

Mr. TIME stated he had been appointed by the Dallas Bar Association to represent DAVID CONRAD GLASS and he was desirous of knowing any information the FBI might have concerning GLASS. Mr. TIME stated he had been interviewing GLASS for a considerable period of time and GLASS had indicated to him he had been interviewed by the FBI in Oregon and in Albuquerque, New Mexico, and had furnished considerable information bearing on the assassination of the President. Mr. TIME was advised that the files of the FBI are confidential and the only information which could be furnished to him was the FBI had interviewed GLASS at Klamath Falls, Oregon, and at Albuquerque, New Mexico, and all information furnished by GLASS had been made a matter of record.

Mr. TIME stated he was further concerned because his wife on that date had received several threatening telephone calls between the hours of 10:00 and 11:00 a.m. on that date to the effect that her husband had better keep his nose out of somebody else's business. Mr. TIME was advised that should he receive any threatening letters or any information that indicated a violation over which the FBI had jurisdiction he should immediately contact this office but that he might desire to notify the local authorities in connection with his present problem.
