# Memorandum

TO : FILE (89-43)

DATE: 3/9/64

FROM : SAC, DALLAS

SUBJECT: ASSASSINATION OF PRESIDENT  
JOHN FITZGERALD KENNEDY

By telephonic contact, 3/9/64, W. C. GRIFFITH, Laboratory, requested the application for employment, rather than employment questionnaire, be obtained from the photographic concern, to be used in interview of witness FRAZIER. Photographic concern believed to be Jaggars. GRIFFITH requested Dallas examine this aspect further.

I talked to SA GEMBERLING and he stated that SA EMORY HORTON had already checked with Mr. STIVAL, who had advised that the employment questionnaire was the only employment application they have and that it should be considered as an application, as well as a questionnaire.

I called Mr. GRIFFITH back and so advised him, and he said that is all he needed for this.
