

UNITED STATES GOVERNMENT

Memorandum

TO : FILE (100-10461)

DATE: 3/24/64

FROM : SAC SHANKLIN

SUBJECT: LEE HARVEY OSWALD, aka
IS - R - CUBA

Inspector JAMES R. MALLEY called at 9:10 AM today and referred to Dallas teletype to Bureau, 3/20/64 re ROY S. TRULY's statement that President's Commission is now taking taped interviews with TSBG employees. Mr. MALLEY inquired as to whether they did actually take any recordings.

I advised that they did take one of him and one or two others.

Mr. MALLEY said per Director's instructions, he went to RANKIN of the President's Commission, and they insist that they didn't take any actual depositions or statements as such yesterday. They claim they are only talking to those individuals they plan on bringing to Washington and that all the other work they were leaving to us, and there was no duplication in this. The requests they made of us covered specific information they wanted.

Mr. MALLEY inquired as to how soon we would submit report and requested it as soon as possible. I advised that we would send in extra copies (five each) of the signed statements and that we think we can get all of the signed statements out tomorrow.
