Section Chief W. A. BRANNIGAN telephonically advised 10:15 AM this date that in view of our airtel dated 3/18/64 under above caption, he was reviewing photographs of documents obtained by Dallas. These documents are those requested by the Commission concerning the pay roll records at the Texas School Book Depository.

Mr. BRANNIGAN referred to page 2 of this airtel, item #3, wherein two copies of the pay roll records and the hours worked by OSWALD were furnished by Mr. AKIN (phonetic) to SA NAT A. PINKSTON on 11/25/63. Mr. BRANNIGAN also referred to this item as D-188. He stated that it is noted that the pay roll records for the period 10/16-31/63 show employee number 12 as LEE OSWALD. These records also show for the period 11/16-30/63 employee number 12 as LESLIE OSWALD. The question in point is, "Why the change in name?", and there is no explanation for such change in our airtel.

Mr. BRANNIGAN needs to know this information and requested he be furnished same by telephone today.
