Re Dallas airtel dated 3/21/64, requesting interview of STEVEN F. WILSON, who was reportedly vacationing at Brownsville, Texas, on March 22 and 23, 1964. It is also noted that Mr. WILSON will be at Corpus Christi, Texas, on March 24 and 25, 1964, at the Sandy Shores.

Since this airtel with enclosure arrived in San Antonio on March 24 showing Mr. WILSON's departure from Brownsville, Texas, I telephonically dictated the contents of referenced airtel and its enclosure to Houston Stenographer MARGARET SALBERGER on March 24 with instructions that the Houston Office cover this lead at Corpus Christi so that the Dallas deadline of March 25, 1964, might be met.

Enclosed for the assistance of the Houston Office is copy of Dallas airtel dated 3/21/64, with the 302 enclosure reflecting interview of STEVEN F. WILSON.
