

UNITED STATES GOVERNMENT

# Memorandum

TO : SAC DALLAS (100-10461)

DATE: 4/2/64

FROM : ASAC KYLE G. CLARK

SUBJECT: LEE HARVEY OSWALD, aka  
IS - R - CUBA

Section Chief W. A. BRANIGAN telephonically contacted this office 8:20 a.m., 4/2/64, and referred to various questions concerning the 30 groups of questions submitted by the President's Commission.

He stated with respect to question No. 4, the Commission had asked how did we receive the information that OSWALD was to proceed to 7313 Davenport, Fort Worth, on his return from Russia. He stated from a review it appeared we had interviewed OSWALD's sister-in-law, Mrs. ROBERT OSWALD, who had advised us she would notify the Fort Worth Agents on OSWALD's return. He stated further review indicated we did not make another contact until late in June after OSWALD had already returned to Fort Worth. He stated Mrs. R. OSWALD has informed the FBI that the reason she did not tell the FBI of OSWALD's return was that she had been harassed by newspaper reporters and she had neglected to call the FBI.

Mr. BRANIGAN stated it would strengthen our answer if we could say that the Fort Worth Agents knew of OSWALD's return and had read it in the local papers prior to our contact with Mrs. ROBERT OSWALD in late June. The Bureau has only one clipping of publicity concerning OSWALD's return to Fort Worth and they desire to know if by chance Agents read of OSWALD's return in the local paper prior to the time Mrs. ROBERT OSWALD was contacted and OSWALD interviewed in late June.
