Rememo of SAC SHANKLIN, 5/28/64, wherein it is reflected that Inspector LEO J. GAUTHIER is desirous of having the results of the work being performed by surveyor Mr. ROBERT WEST at Bureau Headquarters by Monday, June 1 next.

On the evening of 5/28/64, Mr. WEST was contacted, at which time he stated he and his staff were making every effort to complete the plat map on or before Sunday evening, 5/31/64.

Mr. WEST was requested to make every effort to complete such project by Saturday evening, 5/30/64, in order that same could be furnished to the Dallas FBI Office for immediate transmittal to Inspector GAUTHIER.

Mr. WEST stated that a representative of the FBI could contact him by telephone at 2:00 PM, on Saturday, 5/30/64, at either his residence telephone, DA 8-1460, or his office telephone, RI 8-4981, at which time he would be able to advise if the project could be completed by Saturday night, 5/30/64.

ACTION:

The Saturday Supervisor, SA DRAIN, will contact, by telephone, Mr. ROBERT WEST at 2:00 PM, on 5/30/64, to determine if the plat map is completed or will be completed by Saturday evening. SA DRAIN will thereafter make appropriate arrangements to have the plat map, including the tracing of the plat map, obtained immediately upon its completion and immediately have same transported to the airport for transmittal to the Bureau marked, "ATTN: Inspector LEO J. GAUTHIER."

With respect to the request by Inspector GAUTHIER that we make sure to include the tracing of the plat map, Mr. WEST has stated he understands the Bureau desires his original plat map and not a copy.

Any questions with respect to the foregoing should immediately be resolved with SAC SHANKLIN, inasmuch as it is most urgent that this plat map be at the Bureau by Monday morning, 6/1/64.
