Mrs. OSWALD was advised that Mr. SHANKLIN was not at that time available. She stated she perhaps should then contact "HERBERT HOOVER" (Apparently referring to Director J. EDGAR HOOVER). Mrs. OSWALD was questioned as to what information she had, at which time she stated she wanted it known that she had nothing to do with President KENNEDY's assassination, but that as far as she was concerned, everyone else was under suspicion and stated she had information which might involve an Agent of the FBI. She was questioned as to the identity of the Agent, which she refused to dividge on the telephone. She stated she would like to give a deposition to FBI Agents as to the information she had. She consented to be interviewed by an Agent from the Fort Worth Resident Agency.

The foregoing information was discussed by SAC J. GORDON SHANKLIN with Inspector JAMES R. MALEY at the Bureau by telephone at 10:20 a.m., August 24, 1964, at which time Inspector MALEY authorized an interview of Mrs. MARGUERITE OSWALD, Fort Worth RA.
