On 9/10/64, M. KAIN, Manager, Hotel Milburn, 243 West 76th Street, New York City, advised SA JOHN JAMES O'FLAHERTY that hotel records reflect that CARL SCHREIBER registered at the hotel on 8/21/64, and presently occupies room 11F. A previous address for SCHREIBER was indicated as Box 800, Los Alamos, N.M. KAIN stated he does not know SCHREIBER personally and could only advise that SCHREIBER is about 48 years of age. He was unable to furnish any additional descriptive data or employment concerning SCHREIBER.

In an effort to determine if CARL SCHREIBER referred to in New York file 105-0-10581 may possibly be identical with CARL SCHREIBER referred to in retel, the following inquiry was conducted:

On 9/10/64, SIMON CWERN, Manager, Hotel Dexter House, 345 West 86th Street, New York City, advised SA JOHN JAMES O'FLAHERTY that CARL SCHREIBER, white, male, 45-50 years of age, approximately 5'10", stocky build, although not presently at the Hotel Dexter, has in the past, periodically resided there on numerous occasions. CWERN stated that a 1961 registration card reflected a previous address as Box 206, Alamogordo, N.M.

CWERN remarked that he personally knows SCHREIBER and stated that SCHREIBER is a World War II disabled veteran who receives disability checks from the Government. He stated that SCHREIBER was a captain and pilot in the United States Air Force and as a result of a head injury received in combat, he has a metal plate in his head. CWERN advised that whenever SCHREIBER's head injury causes pain, SCHREIBER drinks to excess and quite often, while in an intoxicated state, has a ~~habit~~ of making numerous phone calls. CWERN stated that on a few occasions, while in this condition, SCHREIBER placed long distance telephone calls to his brother, first name unknown, who resides in New Mexico and reportedly occupies some political position in that area. CWERN remarked that on one occasion, while apparently intoxicated, SCHREIBER placed a call through the hotel switchboard to New York

NY 105-38431

Governor ROCKEFELLER.

CWERN added that SCHREIBER is an attorney and reportedly was a candidate, on one occasion, for the office of District Attorney somewhere in the New Mexico area. He further stated that on one occasion SCHREIBER displayed to him a letter which SCHREIBER stated was a letter indicating that consideration was being given to appointing SCHREIBER as Commissioner of the New York State Thruway. CWERN was of the opinion that due to SCHREIBER's disability he never received the appointment.

In view of the above, it would appear that the CARL SCHREIBER referred to by CWERN is probably identical with the CARL SCHREIBER who contacted the New York Office on 3/1/63, from the Hotel Dexter House and also identical with the CARL SCHREIBER referred to in retel.

ON 9/10/64, INQUIRY AT THE CREDIT BUREAU OF GREATER NEW YORK AND BUREAU OF CRIMINAL IDENTIFICATION, NYCPD, RE CARL SCHREIBER, MET WITH NEGATIVE RESULTS.
