

UNITED STATES GOVERNMENT

# Memorandum

TO : SAC, DALLAS (100-10461)

DATE: 1/12/65

FROM : SA B. TOM CARTER

SUBJECT: LEE HARVEY OSWALD aka  
IS - R - CUBA

On 1/5/65, Mrs. MARGUERITE OSWALD, 2220 Thomas Place, Fort Worth, telephonically contacted SA CARTER. She stated that if she had the money, she would go to Washington and talk personally with Mr. HOOVER. She explained that she had six or seven matters she wanted to discuss which would help clear her son, LEE HARVEY OSWALD, of the charge of having assassinated President KENNEDY.

Mrs. OSWALD has constantly refused to discuss anything over the phone, explaining that she believes her telephone has been tapped.

Mrs. OSWALD stated she would like to have an interview with the U. S. Attorney H. BAREFOOT SANDERS in Dallas. I explained to her that we had no control over the USA's office and it would be necessary for her to arrange for her own appointment with SANDERS. She was furnished with the telephone number of the USA's office in Fort Worth.

It is noted that on each occasion that Mrs. OSWALD has been interviewed, she frequently refers to the fact that she always records all conversations, interviews and telephone calls. She has frequently stated she always keeps records on everything that she does.

The above was furnished SAC by telephone on 1/5/65 in the event it was desired the information be furnished Mr. SANDERS.
