Editor, The Times Picayune

We are over two hundred people, citizens of New Orleans  
 and others, who have also subscribed for your two papers daily, and  
 if we discontinued them, I feel sure that the Times Picayune  
 would feel it, with the same thing would hold for that  
 son Crook DeLoach's marriage. Now we know he is a big  
 liar when he made the statement on T.V. last week  
 that he did not accept money from Washington, and from  
 for a fact that Kennedy gave him money for his campaign  
 and believe us when we say, that if someone continues to  
 in any way, we are going to stop him with a bullet as we hope  
 can the shooting of John F. Kennedy, we are fed up on  
 and we will not stop at anything. We are fed up on  
 all this Communist infiltration in our country and  
 we can stop morison he is a 100% Communist and  
 we know that, we want him out of our city, why  
 did he come back here? we also know his record as  
 a dirty scoundrel. We know that he killed his wife, and  
 if he stops around here we are going to do the same  
 thing to him. We also thought she knew something was up  
 to support John F. Kennedy. He is a liar and a  
 more capable man for our Government. We will do it  
 can publish this if you care to let the people know the  
 a lot of crooked work is going on in this election and  
 you can also let the public know that morison will serve  
 serve a term in our state capital we will get it  
 we are ready to go to any way in the crooked and  
 Citizens property owners and voters all our lives in the city
