Dear Robert,

We'll be a family getting the  
from the U.S. Embassy and will leave for  
Moscow tomorrow and will be 10-11 days in  
Moscow and then leave for England, where we  
shall board a ship for America. At that  
Atlantic Trip will take months, two weeks so  
all in all will be months more. Agree where  
actually arrive in Moscow probably in New  
Orleans. We'll inform you as soon as we  
arrive, this will be the last letter you  
see. P.S. 11:58

In case you hear about our coming,  
on the newspapers here about it  
(I hope they won't), I want to  
warn you not to make any

comment whatsoever about us. Memo at all!!

I know what was said about me when  
I left the U.S. as mostly part of some  
clippings from the newspapers, however  
I rejoice that it was just the shock of  
the news which made you say all those  
things. However, it's just possible you  
again not to make any statements or  
comments if you are approached by  
the newspapers, between now and the  
time we actually arrive in the U.S.

Again do me your soon. Yours  
completely
