Signed Statement of
Vada Oswald dated 3-15-64

v. O.

Denton, Texas

March 15, 1964

I, Yada Oswald, make the following statement to Bardwell D. Odum and R. Neil Guigley — who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

I have never heard anything from Marina Oswald or Jim Martin, her former business manager, ~~about~~ ^{v. O.} or from anyone else, except my husband, concerning a threat by Lee Harvey Oswald to shoot Richard Nixon, former Vice-President of the United States.

The only thing I have heard was from my husband, Robert L. Oswald, who told me that both Jim Martin and Marina Oswald had told him that when Richard Nixon was ~~in~~ ^{v. O.} in Dallas (and I don't know when this was) Lee Harvey Oswald had told Marina that he intended to shoot Nixon, and that Marina had locked him in the bathroom and kept him there all day. Jim Martin got this from Marina, and later Marina told my husband, Robert, but Marina did not discuss this with me. Robert told me

V.O.

about this incident sometime the latter part
of January 1964.

I have read this handwritten statement consisting
of this and some previous page and it is
true and correct to the best of ^{V.O.} Justice's knowledge
I have placed my initials by each ~~collection~~
correction and at the top of each page.
