I did not see Lee Harvey Oswald at the time President Kennedy was shot.

On the morning of November 22, 1963, I do not remember seeing any stranger in the building housing the Texas School Book Depository.

I left the Texas School Book Depository Building at about 12:25<sup>PM</sup> AM, November 22, 1963, and never returned to this building on that date.

I have read the above statement consisting of one and one-half pages and it is true and correct to the best of my knowledge.
