Description:

1 - Original Statement
of Dorothy Ann Ganner.

2/22

Dallas, Texas

March 20, 1964

I, Dorothy Ann Garner, freely furnish the following voluntary statement to Eugene L. Petrich and A. Raymond Switzer, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

I am a caucasian female and reside at 911 Royal Street, Forney, Texas. I was born on August 30, 1928, in Grandfield, Oklahoma, and am employed as office supervisor for Scott, Foresman and Company, located on the fourth floor of the Texas School Book Depository building, 411 Elm Street, Dallas, Texas. I have been employed for Scott, Foresman and Company for ten and one-half years.

On November 22, 1963, at the moment of the assassination of President John F. Kennedy, I was seated at a desk in the fourth floor office of Scott, Foresman & Company and was watching the Presidential Motorcade through

a window located on the South side of the Texas School Book Depository building and I know this window to be the fifth window from the east end of the building. I recall that Mrs. Elsie Dorman was sitting next to me at that time looking out the sixth window and that Victoria Adams and Sandra Styles were both standing next to Mrs. Dorman and myself looking out the fifth and sixth windows. Styles, Adams and Dorman are all likewise employees of Scott, Foresman and Company.

I recall that moments following the passing of the Presidential car I heard three loud reports which I first thought to be fireworks but only seconds later realized something had happened on the street below although at the time of the shots, the Presidential car was out of view behind a tree. I thought at the time the shots or reports came from a point to the west of the building.

I do not recall ever having seen Lee Harvey Oswald at any time prior to the assassination of President Kennedy and am positive I did not have occasion to see Oswald on the morning of November 22, 1963. Further I do not recall observing or taking note of any strangers in the Depository building on the morning of November 22, 1963, or at any earlier time.

Following the shooting of President Kennedy, I remained on the fourth floor of the building in the Scott Dawson offices until approximately 2:30 PM, November 22, 1963, at which time I and the remaining employees departed the building. I did not return to the building again until Tuesday morning, November 26, 1963.

I have read this statement consisting of this and two other pages, and initialed each page and each

correction and find it true
and correct to the best of
my knowledge.
