Description:

Statement of Ray S. Truly -

Dallas, Texas

March 19, 1964

I, Roy Sansom Jolly, make the following voluntary statement to Alfred P. Feeley who has identified himself as a Special Agent of the Federal Bureau of Investigation.

I am of the Caucasian race, fifty six years of age and reside at 4932 Jade Drive, Dallas, Tex. I am employed as Superintendent of The Texas School Book Depository, 411 Elm St., Dallas, Texas.

On November 22, 1963 I left my office with Mr. O. B. Campbell, Vice President, Texas School Book Depository, residence address, 7120 Twin Tree St., Dallas, Texas about 12:10 P.M. for lunch. On leaving the building entrance, I noticed a large crowd of people standing along the street and decided them to wait and watch the President's motorcade pass which was on Elm Street in front of the

building.

At the time President John F. Kennedy was shot I was standing with Mr. Campbell in the street just in front of the building entrance. I heard three shots fired and moments later I accompanied a uniformed officer from the Dallas Police Dept. to the second floor of the building. This officer looked in the lunch room located in the back part of the building about 20 or 30 feet from the stairway. Just inside the lunch room door, Lee Harvey Oswald was standing facing the officer. I identified Oswald as an employee and ~~he~~ ^{he} proceeded on to the roof of the building. We made a quick examination of the roof area and then I returned to the first floor area and started to account for the location of each of my employees. I was not able to locate Oswald. I did not see Oswald outside the building at the time President Kennedy was shot. I recall seeing Oswald

about 8 A.M. when I came to work. He was going about his work of filling orders at that time. I did not see him, as I recall, any more until the moment I saw him in the lunch room.

I did not see any strangers in the building at any time during the morning of November 22, 1963. I remained in the building and assisted the officers in every way I could until approximately 7 P.M. when I left for home.

I have read this statement consisting of this and two other pages and it is true
