Hello, Lee!
Why you no write me letters?
I no want you to write
letters me also. Well, but
you speak and write Russian
letter than I speak and write
English. Of course, you make
mistakes in word, but it is
English. I speak and write
English. Lee, my buddy

still bigger). You may write
me letters English, but, please,
legibility, but I shall not
read letter. It is very useful
me. I want know English.
adieu. Faber.
