

JESUIT HOUSE OF STUDIES

3859 LOYOLA LANE
MOBILE, ALABAMA

July 6, 1963

Dear Lee and Moreno:

Here at the House of Studies during the summer months we have a series of lectures on various subjects given by different persons from the neighboring areas. These subjects usually deal with art, literature, economics, religion, politics, etc. We usually have a speaker every one or two weeks on a Saturday or Sunday night. Since we are studying philosophy, most of us are interested in the various phases of Communism, as this is a very timely and practical subject.

We were hoping that you might come over to talk to us about contemporary Russia and the practice of Communism there. A number of speakers have already been contacted and have definite dates on which they will speak. The best time for us to have you speak, if you are willing, is on Saturday night, July 27. The talk usually begins at 7:00 and lasts for about an hour. Then there is a five minute intermission and the speaker returns for a question period which may last a half-hour or so. When I say that we would like to have you speak on contemporary Russia and the practice of Communism there, this is only a general idea of mine. Of course we want you to chose whatever topic you like concerning your travels in Russia and to present the talk and its material in whatever way you like. It can be as informal as you like and a narration of your own observations. In other words, don't feel that it ought to be very formal and theoretical. Also, when I say that the talks usually last for an hour, I don't mean that it has to be that long. This is rather by way of a time limit. You may use whatever notes you may wish to prepare. In short, do it the way you feel you want to do it and be assured that we want you to feel at home in talking to us.

We have about 90 men who are studying philosophy in the House. Usually about 25 or so will attend these talks. We hope that you will accept our invitation and I think you will find it a good experience, as I'm sure we will too. Most of us are about your age.

I wrote my family today telling them that I planned to invite you for this occasion. They had already told me on their last visit that they hoped to invite you to come over with them when they came here sometime. I asked them if they wouldn't mind arranging to make a visit here for the same occasion so that you could come together. I told them that I would ask you to call them to make plans about this or else for them to call you. Of course we hope Moreno will come too.

You can let me know what you think about the matter and ask any further questions you may want to know about the situation. Drop me a line when you get a chance.

Sincerely,

Gene
