Mr. Kennedy

If you want to know some answers about the death of your brother you should ask a man named Andrews here in the prison. He told several men here about the death of your brother three weeks before it happened. He told the exact place, how, by whom, and all the other things about it. He has now spoke of the death of Mr. Johnson. Something should be done is why I am telling you this. I do not approve of this kind of action.
