 The logo features the letters "FBI" in a large, stylized, serif font. The letters are interconnected, with the "F" and "B" sharing a vertical stem. The "I" is a simple vertical bar. Below the letters, the word "LABORATORY" is written in a smaller, all-caps, sans-serif font. The entire logo is enclosed within a rectangular border.

Samuel B. Ballen

NY Post used GDM's
name without realizing
the significance.

Ronnie Duggan got a
line, called Ballen
said he would see Duggan
FBI went down several
times

GDM spoke Russian,
he knows geography -
there was rapport between

LHO
told LHO - "I'll bet you're
guy who took shot
at Walker"

airport

4 or 5 months
in 1962 - 25 June
Glen knew him
until left for Haiti in
May 1963

tried to buy O but
ob of value

GDM's present wife's
daughter is married to
Beatnik - coming down from
Alaska - GDM's child
was supposed to look up
D. were supposed to look
him up and arrive
Nov. 21

LHo fiercely independent
he could get along
LHo had lot of positive
qualities - courage to find
answers his own way -
a rugged individualist

D264

Rivkin he had receive
some espionage training
while in Russia & they
sent him back to local
agents but they said

I would have had
feeling politics was
meaning less & less to
LHo

GDH says LHo unusual
not filled with hatred
against Russia nor
mission for it

D264

He did not want to
sponge on others - while
I was trying to find job
for him Lto was
constantly saying

GDM has told Waring C
that Marina has lied on
several points

Argument at party - Oswald
first brutalized ~~of~~ child
terrified of people - she
tried to express herself -
Lto brutally shut her up
and it broke up party
