at least I'd see  
Edward was the only  
person thinking about  
protecting the President.  
A little help from a  
"brain" Bernard Beck  
or John Beck of Chicago,  
Downington

People and it is so  
people (Bennett) you  
get to wondering  
what was the  
Nixon the President  
was shot at, because  
of Bernard Beal.

"Yeah and he  
is Nixon and  
is one the Becks,  
There's lot of  
Hills in the mine  
of a road men,  
like a road he is  
with price it something  
and is looking  
of gold looking
