*Brief in support of Applicant.*

A review of my file, will show that a recommendation to separate me from the Marine Corps Reserve was conveyed in by a board of officers at Joliet Illinois, to become effective from September 13 1966, or 1 year & 2 days from the time I was honorably discharged from active duty at, Waco, Texas, on September 1964.

Refract of my case to this board was permitted on the proposed fact that I had renounced my American citizenship with intent to become a permanent citizen of the Union of Soviet Socialist Republics.

Since this was the sole reason I was separated from the Marine Corps Reserve and summarily given a Undesirable Discharge I do hereby request:

That the Board does convene to review this case.

This is a case which comes under the heading: Article 15 (E) (1), i.e., a discharge improperly issued.

In this case there is no question as to service, which on the naval records above, was of a strictly honorable nature.

This case is a question of loyalty resulting out of my residence in the Soviet Union.

In requesting a review of this case, I am aware I had not violated any laws or regulations pertaining to my prolonged residence abroad and that I am a loyal U.S. citizen.

Statement of Plaintiff

op.

I request that this statement be made part of the record.

I had been informed that a board of inquiry was convened at Naval Air Station, Alameda, California to determine my fitness to remain a member of the U.S. N.C. R.

I was separated from the U.S. N.C. R. with a honorable discharge superseding my original honorable discharge of 11 September 1957 given at NAS Crane Air Station, El Toro, Santa Ana, California.

This board was given to consider whether I had gone to the Union of Soviet Socialist Republics with the object of becoming a permanent citizen of that country.

Since I was not in the United States at the time of the convening of the board and since I was completely unable to communicate with anyone in the outside world through the Iron Curtain, this board found against me.

My relatives, who were notified of the convening of this board, could not conceivably present evidence on my behalf against such vaguely defined charges, without any knowledge of my whereabouts.

It was only on July 8, 1961 that I was able to put in an appearance at the Consular Embassy, Moscow after escaping from the destination.

Statement of Plaintiff

I request that this statement be made part of the record.

I have been informed that a board of inquiry was convened at Naval Air Station, Alameda, California to determine my fitness to remain a member of the U.S. M.C.A.

I was separated from the U.S. M.C.A. with a commendable discharge superseding my original honorable discharge of 11 September 1957 given at Naval Air Station, El Toro, Santa Ana, California.

This board was given to consider whether I had gone to the Union of Soviet Socialist Republics with the object of becoming a permanent citizen of that country.

Since I was not in the United States at the time of the convening of the board and since I was completely unable to communicate with anyone in the outside world through the Iron Curtain, this board found against me.

My relatives, who were notified of the convening of this board, could not conceivably present evidence on my behalf against such vaguely defined charges, without any knowledge of my whereabouts.

It was only on July 8, 1961 that I was able to put in an appeal at the Consular Embassy, Moscow after escaping from the detention

of the city to which the Russian authorities had sent us. Subsequent events, through the active support of the U.S. Embassy, will see myself and my Russian wife in the U.S. very shortly.

As far as the case in question is concerned I am confident now, without any inquiry directed towards me, a conclusion of diplomacy might possibly be arrived at.

However, whether my choice of permanent or temporary residence may be in the U.S.S.R., or in the United States, grounds for such arbitrary action as was unjustified against me cannot be judged as being fair or impartial.

I must point out that I have not violated any laws under the U.S. Code Section 1591 letter 18.

I may say that even the most prolonged residence abroad is an accepted custom, and absolutely legal (as long as other pertinent regulations have not been violated).

In introducing the letter from the U.S. Embassy, Moscow, I have it in mind the last paragraph Nov. 13, 1961, which states: "Meanwhile your retention of your present Soviet passport or detention thereof does not prejudice in any way your claim to Russian citizenship." signed Joseph B. Volney, American Consul.

which in the letter from the Embassy of January 31, 1962, you see I am at present in the Soviet Union only because of the technical difficulties in getting my family out of the Soviet Union.

The tone of the letter, while not an affidavit, clearly reflects the opinion of the American Embassy that I am underserving, through some sort of breach of loyalty, of their attention.

In presenting a notarized affirmation of valid U.S. citizenship I have had to present my valid U.S. passport and valid Soviet residential documents to the notary.

In presenting my case I have avoided notarized affirmations, which would, under the circumstances, have to be in Russian. However I request an review of my particular case and my location that par. 12(1) UNRESOLVED be in force throughout the proceeding.

Affirmation of contents of affidavit can be had by contacting that naval clearance office or officer who can give such affirmation of contents (12(1) UNRESOLVED).

Since there is no other possible way to present my case, in consideration of the nature of the charge which was brought against me, I would like to include a request for the reconsideration for rebuttal against the findings of the Board, in accordance with
