Mrs. Janet Lee Auchincloss
3044 O Street NW
Washington, D.C.

Dear Janet:

Thank you for your letter of January 29th.

No, I am not connected with our Foreign Service.

I was a consultant for the State Deptment in 1957-58 (in the geological field) but have not had any consulting jobs for the Government and did not mind as I have always been a Republican.

As you can see from the letterhead, I have a geological consulting firm in Dallas and specialize in foreign exploration. Here in Haiti I have a loose contract with the Government for the complete exploration of the whole country. Also I have some oil companies backing me in the eventual development of the oil resources of this island.

Dimitri is in India right now, for his sabbatical year. He belongs to some Buddhist sect and goes to Bengal for a year of study and retreat. I will write to him and give him your kind message.

When in Washington I will be delighted to come and see you and your charming husband. If possible I shall bring my wife along. She is a well known designer, by the way.

Since I have a sisal plantation here, I stay quite often in Haiti and am very fond of this country. If you and your husband have a chance to come and visit us here, I am extending to both of you an invitation to come over and stay with us any time you feel like. We have a beautiful house way up above Port-au-Prince. Do not believe the silly reports of the American press about Haiti. It is not a "hell hole", no Americans have been molested here and the situation at present time is peaceful and pleasant. The effects of the terrible cyclone Flora are being alleviated and the situation is becoming normal again.

Very sincerely yours,

George de Mohrenschildt
