

Another LIBERATION Reprint:

**CUBA: AMERICA'S LOST PLANTATIONS**

by  
Dave Dellinger

60 pp. 50c

An Editor of LIBERATION assesses the Cuban Revolution and its leaders and examines the implications of American hostility to the present régime. Comprises the full text of Dellinger's three LIBERATION articles and an appendix on the post-invasion fast and vigil at C.I.A. headquarters.

Even the best of the books on the Revolution stress the economics, the politics of the event, which are certainly important. Dave Dellinger's first distinction is that he was able to get in touch with the Cubans.—WALBO FRANK
