

Commission Exhibit 25

Exhibit 25, for identification.

I am just one of the  
 many people who are  
 trying to get on in  
 this world. I am not  
 a rich man, but I am  
 a hard worker. I have  
 been in the business  
 for many years and I  
 have learned a lot  
 about the way things  
 are done. I am not  
 a politician, but I  
 am a man who is  
 interested in the  
 welfare of the people.  
 I am not a member  
 of any party, but I  
 am a man who is  
 interested in the  
 future of the country.  
 I am not a leader,  
 but I am a man who  
 is willing to stand  
 up for what I believe  
 is right. I am not  
 a hero, but I am a  
 man who is willing  
 to sacrifice for the  
 good of the people.  
 I am not a saint,  
 but I am a man who  
 is trying to do the  
 best that I can for  
 the people of this  
 country.

and it about the same time  
found America the country was  
more than by the present and under  
and the road laid open for the  
of power by the behavior because the  
too, offered a bright new future with  
violating historical traditions of  
working class life.  
Therefore in history there are  
and examples of the making of  
the new order within the established  
traditions of the old.  
The historical revolution  
to present America and yet it has  
been a continuation of the  
past.

the biggest <sup>key</sup> <sup>consequence</sup> of <sup>the</sup> <sup>capitalist</sup> <sup>system</sup> <sup>is</sup> <sup>the</sup> <sup>fight</sup> <sup>for</sup> <sup>control</sup> <sup>between</sup> <sup>the</sup> <sup>imperialist</sup> <sup>powers</sup> <sup>themselves</sup>, which lead to the wars, crises and oppressive friction which you have all come to regard as part of your lives. And it is <sup>this</sup> <sup>the</sup> <sup>most</sup> <sup>prominent</sup> <sup>factor</sup> of the capitalist system which will undoubtedly eventually lead to the <sup>complete</sup> <sup>destruction</sup> of all the imperialistic powers. <sup>Whereas</sup> <sup>already</sup> <sup>many</sup> <sup>former</sup> <sup>imperialist</sup> <sup>countries</sup> <sup>have</sup> <sup>become</sup> <sup>dependent</sup> <sup>upon</sup> <sup>other</sup> <sup>powers</sup> <sup>than</sup> <sup>domination</sup> <sup>of</sup> <sup>former</sup> <sup>colonies</sup> <sup>by</sup> <sup>force</sup>, they have been <sup>devoted</sup> <sup>by</sup> <sup>the</sup> <sup>great</sup> <sup>imperialist</sup> <sup>power</sup> <sup>countries</sup> or in some cases even given up their colonies themselves as unprofitable and <sup>now</sup> <sup>the</sup> <sup>oppressed</sup> <sup>peoples</sup> <sup>rose</sup> <sup>up</sup> <sup>and</sup> <sup>physically</sup> <sup>struggled</sup> <sup>against</sup> <sup>the</sup> <sup>colonial</sup> <sup>system</sup> and this process is continuing even today as we all can see. But what is important to understand

 you stay the same shift of

Without American Law

It is now already clear a few  
 organizations who have declared that  
 they shall become effective only after conflict  
 between the two world systems have to  
 world country without desire or foundation  
 of government, organizations such as the  
 minute men for instance, however they  
 intend are preparing to simply defend  
 its present system and resist  
 to collapse after mutual defeat  
 of both systems mutually which is  
 one or less taken for granted.

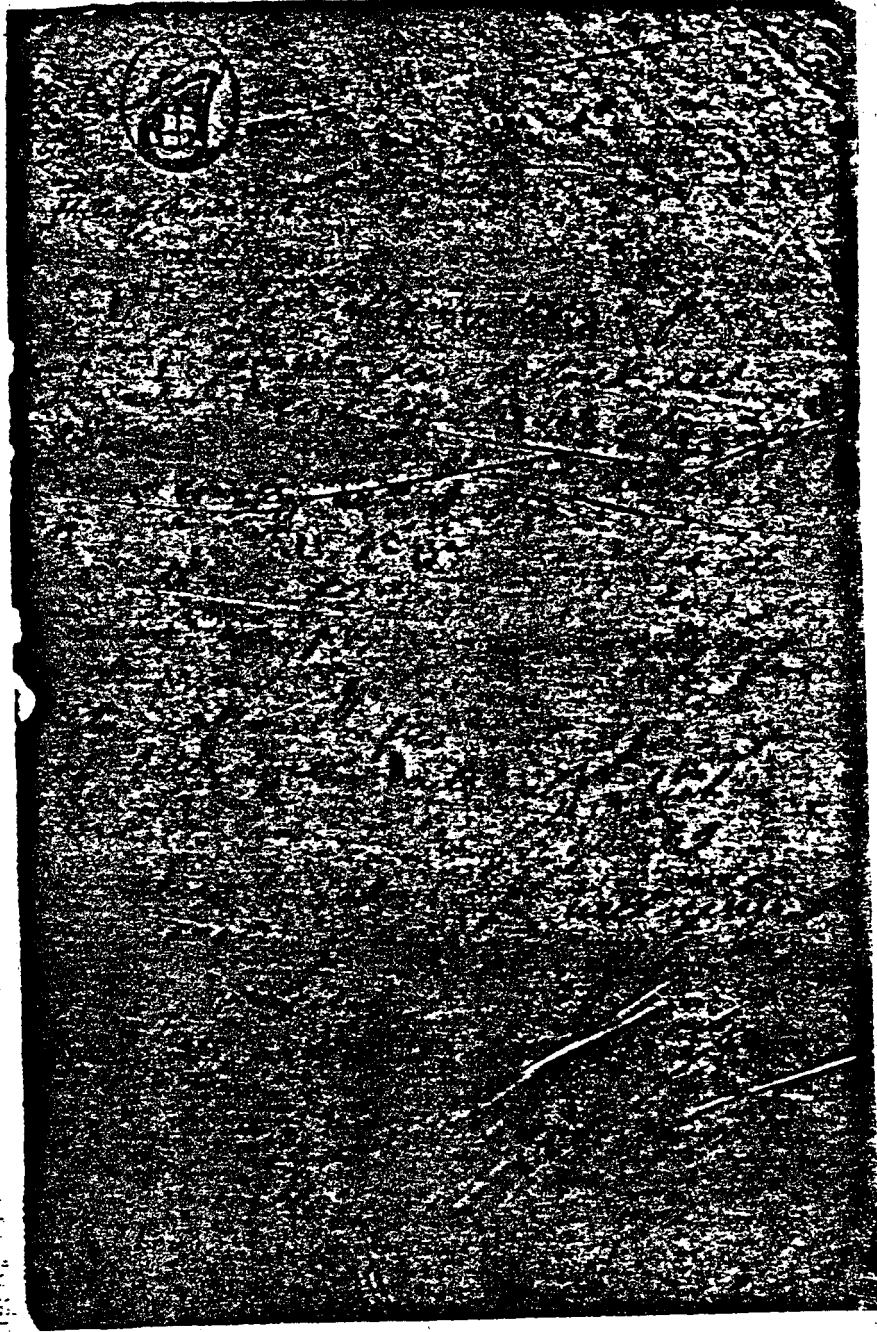

These small groups will appear  
 receiving back core of financial  
 and capital support.

It will probably be a single  
 question of the kind by the  
 communist countries  
 and also the very few  
 aspects of the world.

I had a very good time  
at the party last night  
and was very happy to  
see all the old friends  
and to hear the news  
of all the people who  
were with us at the

it had been a long time  
since we were all  
together. I had a very
